

The Book of Monsters

By Jamie

**This book was written and
designed by Jamie on February
27, 2005**

This monster has one eye-ball
and likes to eat meat.

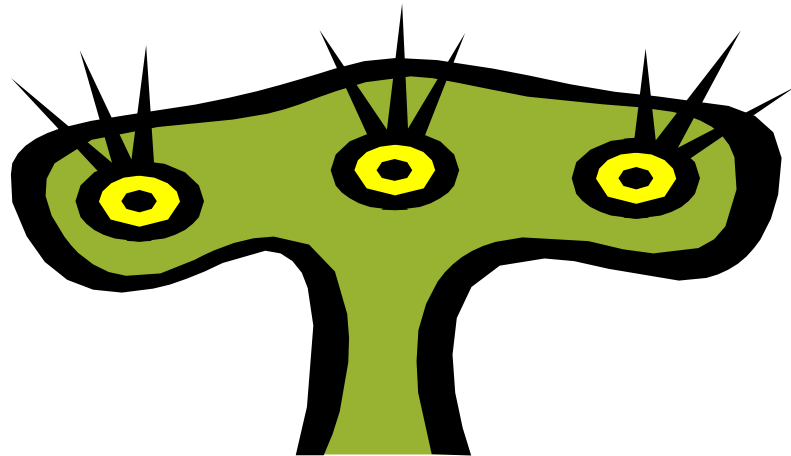

This monster's name is Hinno
and he has no hair.

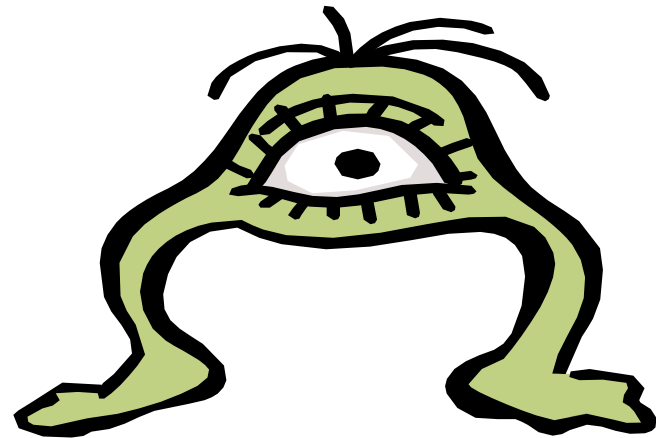

This is the bride and her name is Allalee and her nickname is Anin.

This monster eats other monsters and his name is Oplunts.

The three-eyed monster eats bugs and his name is Waach.

Mange is his name and he eats eyeballs and bugs and hides in your closet.

This is the happy monster and her name is Timone.

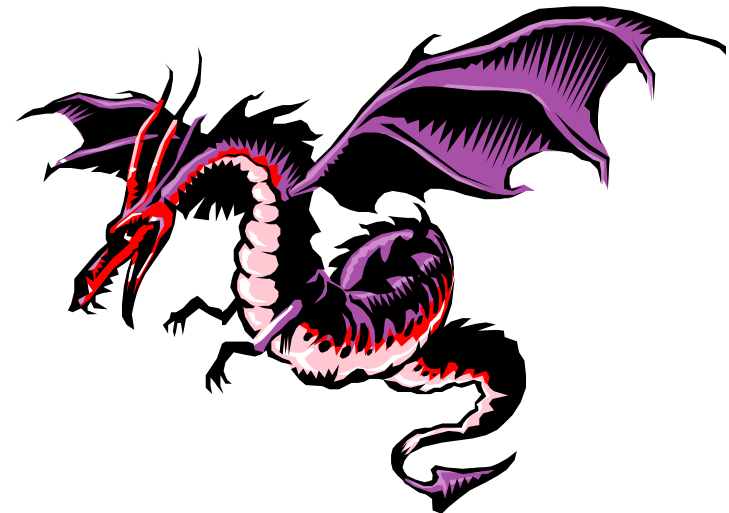

She makes you laugh!

The screw monster is sad because the other monsters made fun of his name which is screwhead. He ran home and told his mom they were making fun of him. His mother said he was beautiful!

This monster is scary and his name is Tito Talona.

I love monsters and they are so funny!!
